

18 Business and Regulations

18.1 What you'll learn:

- Explain the source of federal power in the regulation of business.
- Identify the laws that regulate the sale of securities.
- Distinguish between the laws that regulate antitrust activity.
- Describe what laws regulate corporate takeovers.

Once you understand the background for government regulations, you will appreciate why the government plays a regulatory role to ensure competition and fairness.

18.2 What you'll learn:

- Describe the laws that regulate the environment.
- Identify the federal and state agencies that regulate the environment.
- Identify the federal and state agencies that are responsible for regulating energy.
- Describe the impact of international law on energy regulation and conservation.

If you ever go into business, you need to know that there are environmental and energy laws you have to obey.

18.1 Wrap Up:

- Complete the Student Workbook (SWB) pages 172-174

18.2 Wrap Up:

- SWB pages 175-180

Chapter 18 Review and Assessment

- Key Points Review #2-17 pages 409-411

Due Date _____

Test Date _____

"Right now that position is filled by a bear, but I'll keep your name on file."
