

Option “B”

By using the process below you can develop strong, safe, and easy to remember passwords.

Overview:

Think of a simple sentence describing something you like to do, and use the first letter of each word (and sometimes numbers) to create your password. Include one capitalized letter.

Examples:

Sentence - I like to eat eggs on Saturday morning

Password - Il2eeoSm

Sentence - I like to run on St. Pete Beach

Password - Il2roSPB

Now you try - Don't share this with anyone else
